StatQuest with Josh Starmer

You are the only person whose explanations make sense Thank you for your amazing videos Hi Josh You are a great man Thanks for the great video You have a question How can you do a sample R code with regularization Hi Josh I am getting an error trying to use the ggplot2 function This is amazing I am really a bit unsure about the quotsimplification of variables I am able to do this . This is the best explanation on Youtube I love your videos You are so much for your work Hi Josh
